

REMARKS

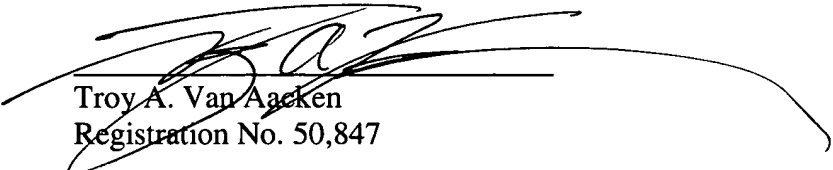

This Preliminary Amendment is submitted to correct a minor typographic error in the title of the specification.

The Assignee hereby requests a corrected filing receipt, showing the title as preliminarily amended herein. Attached is a copy of the official filing receipt mailed on May 6, 2004 with the requested correction indicated thereon.

Assignee asserts that no new matter has been added as a result of this amendment. As this application has not as yet been assigned to an Examiner as indicated by the PTO's secure PAIR access as of September 9, 2004, and as its status is indicated as "Application Dispatched from Preexam, Not Yet Docketed" (see PAIR printout dated September 9, 2004, attached as Exhibit A), Assignee asserts that this amendment will not unduly interfere with the preparation of a first Office Action, and therefore, should be entered.

As no claims have been added to the application by this amendment, the Assignee respectfully submits that no additional fees are due or otherwise result from the filing of the instant Preliminary Amendment. If, however, the Commissioner believes that a fee is due, the Commissioner is hereby authorized to charge any such additional fee(s) from, or credit any fee overpayment(s) to Jones Day's Deposit Account No. 502724, ref: 093615-600015.

Respectfully submitted,
